## education

### Western Washington University

**2014-Present**

Bachelor of Arts in Design

Minor in Psychology

## experience

### WWU AS Publicity Center

**2017-Present**

Graphic Designer

Worked with clients within Western's Associated Students to create publicity including posters, banners, handbills, and motion graphics.

### Make.shift Art Space

**2017-Present**

Graphics Intern

Designed posters and other publicity for a local DIY all-ages venue and art space. Also volunteered as an office attendant weekly during school session from 2014 to 2016.

## projects

### KZAX LPFM

**Apr-May 2017**

Full rebrand

Make.shift's in-house radio station needed a rebrand so as part of my internship I developed a logo and brand identity for them.

### Maniac Coffee Roasters

**Jun-Aug 2016**

Full rebrand

Was hired freelance to do a rebrand of a popular Bellingham coffee roastery. The bags can be seen at several coffee shops around Bellingham and are in use at the Black Drop.
